Guide Price £995,000

Boasting an enviable location and set within beautiful Herefordshire countryside is a UNIQUE OPPORTUNITY to acquire a DEVELOPMENT SITE approaching 1.43 acres with FULL PLANNING PERMISSION to erect SIX DETACHED INDIVIDUAL ARCHITECTURALLY DESIGNED FAMILY HOMES.

FUSING TRADITIONAL and CONTEMPORARY DESIGN, the homes will feature a blend of organic materials from the stone walling, the wooden timber cladding, open plan living, floor to ceiling windows to the front of the properties which will undoubtedly throw in an abundance of natural light. It is at Howle Hill where traditional country will meet urban contemporary with eco credentials aplenty from the air source heat pump, improved wall insulation, and electric car charging points, to lead more sustainable lifestyles and benefit from lower running costs.

Howle Hill is a small hamlet which lies approximately 3 miles South of the bustling market town of Ross-on-Wye. Ross-on-Wye offers a range of shops, supermarkets, primary schools, a secondary school, churches of various denominations, health, sports and community centres and library.

For the commuter access can be gained to the M50 motorway (junction 4) for connection with the M5 motorway, linking up the Midlands, and the North, Wales, London and the South. The area is also popular due to the accessibility to Hereford, Chepstow, Gloucester and Cheltenham. There are regular bus services to the surrounding areas.

The plot is surrounded by stunning, peaceful countryside. The plans show that each property has been carefully positioned to maximise the space and views on offer.

PLOT SIZES AND DETAILS
